## Revolutionary Timeline

Directions: Below is a list of events that took place during the revolutionary era in America. Your job is to use your text book to find the years the events below took place. Some events took place in the same year. For those events you will need to also find the month the event took place. You are then to arrange the events in order on the timeline provide.

### Events

- |                                      |   |  |
